Name _____ Student Number _____ Qtr, 20__

Internship Site _____ Site Supervisor _____

1. **Learning Goals:** How do you believe that this internship experience will compliment your academic studies in Psychology? Specifically, what do you hope to learn as a result of this experience? (Additional pages may be attached)

2. **Job Description:** What will you do as an intern for this organization? How will these responsibilities help you fulfill your learning goals?

3. **Training/Site Supervision:** Who in the organization will supervise your internship and what type of training will you receive?

4. **Academic Component:** Students registered for their first quarter of Psych 497 will attend weekly class sessions. Students will participate in class discussions, read articles and complete assignments related to their fieldwork experience. Students registering for subsequent 497 experiences will not attend the course, but will complete a written assignment.

Although the Department of Psychology has taken reasonable steps to provide the student with skilled supervisors, it should be understood that this internship is not without risks. In signing this learning contract, the student acknowledges inherent hazards and risks, including but not limited to physical injury and death, and assumes those beyond control of the University staff. In case of emergency, I, the student, give consent for emergency medical treatment and agree to pay for any charges not covered by my personal health insurance.
